

1 D'ANGELO LEE: Yes sir.
2 RON SLOVACEK: Hey.
3 LEE: Uh huh.
4 SLOVACEK: Let me get Andrea, she's waiting
5 on the other line, I was going to
6 conference her in.
7 LEE: Okay.
8 ANDREA SPENCER: Hello?
9 SLOVACEK: Andrea, you there?
10 SPENCER: Yeah..
11 LEE: Okay.
12 SPENCER: D'Angelo?
13 LEE: Uh huh. How are you guys doing this?
14 Are you doing it on your phone, Ron?
15 SLOVACEK: I'm doing it on my phone.
16 LEE: Why can't I do that? I don't have
17 that access?
18 SLOVACEK: Yeah, you can.
19 SPENCER: Yeah, you do. You just hit...
20 SLOVACEK: You just, you just dial the
21 number and then what happens is on the
22 right side one of those buttons comes up
23 and says conference.
24 LEE: Oh, so while they on the phone,
25 dial the number?

1 SLOVACEK: While you're on the phone.
2 Like, well like I had her on the phone,
3 I hit my speed dial and I dialed your
4 number.
5 LEE: Okay.
6 SLOVACEK: You can, you could, you don't
7 even have to do that. You can punch the
8 number in.
9 LEE: Right, I got ya.
10 SPENCER: And then hit his number.
11 SLOVACEK: And then it will come up and
12 say conference is UI, you can do it.
13 LEE: Yeah, that's how they did it on
14 my other phone. Okay, I got ya.
15 I'm listening.
16 SLOVACEK: Uh, if, if the, if the quest
17 was tax up and on to Ken Anderson's bid
18 and then sub it to him, and we're talking
19 like fifty or seventy thousand dollars,
20 I think it would be better for us to get
21 within twenty thousand dollars of his bid
22 and let him do it himself because there
23 is a whole lot more money in it than that.
24 LEE: Okay. Well let's do it that way.
25 SLOVACEK: Okay.

1 SPENCER: Okay.

2 SLOVACEK: What is, what, I mean, uh,

3 Ken Anderson was one hundred, what, his

4 his bid was one hundred twenty less than

5 ours.

6 SPENCER: On Sycene, you don't know what

7 the dollar amount is for Laureland.

8 SLOVACEK: If we got within forty thousand

9 dollars of that, in other words if we

10 knocked ours down a hundred thousand

11 dollars or so, you think that is a good

12 argument to make though? Cause, I, I,

13 like I told Andrea, I could probably,

14 the biggest cost in this thing is the

15 cost of concrete. There, there's a lot

16 more buildings, a lot more pavement. But

17 I could probably negotiate another fifty

18 thousand, sixty thousand dollars off the,

19 off of the concrete supplier.

20 LEE: Okay.

21 SLOVACEK: That gets us a lot closer and

22 there was about...

23 LEE: Okay.

24 SLOVACEK: UI

25 LEE: UI Okay. But, you know, I was,

1 I was running it by Councilman and he was
2 saying, you know, just the opposite. He
3 said, hell, you know.
